

MO-CAPture

*January 2021
NEWSLETTER*

We kicked off Winter with COVID-safe resumed in-person community services intakes, launched Wellness Recovery Action Plans, partnered with the Continuum of Care and Mercy Health Community Health Needs Assessment Advisory Group, and joined the Coordinated Entry Process!

We've partnered with a variety of local agencies through enhanced food services programs; adding weekly frozen meals, fresh Farm to Families produce 🥕🥦🥒 & cheese 🧀 & dairy products 🥛 + an updated daily walk-in MOCAP Pantry for our Muskegon-Oceana families, friends & neighbors!

A Special Thanks to Age Well Services, Morrison Industrial, and the United Way of the Lakeshore for outstanding leveraging of partnerships and volunteer commodities packing services. We appreciate you!

CSFP: 1,200 seniors served!

TEFAP: 1,472 households served!

Walk-In Pantry: 519 served!

MASK UP  **MICHIGAN**
#IWearMIMask

Mask-Up Michigan: Over 4,500 masks distributed during the COVID pandemic so far

"Community Action changes people's lives, embodies the spirit of hope, improves communities, and makes America a better place to live. We care about the entire community, and we are dedicated to helping people help themselves and each other."

Save The Date!!

A big thanks to Molina Healthcare for their generous contribution last month. WE appreciate you!

March 15th, 2021 MOCAP Community Hearing

A special thanks to these local partners in serving our community this month!

"Community Action changes people's lives, embodies the spirit of hope, improves communities, and makes America a better place to live. We care about the entire community, and we are dedicated to helping people help themselves and each other."
